

Mini Party Crackers

Ingredients:

2 boxes (10 or 11 oz) Either Mini-Saltine or Rounds
1 pack Seasoning
1½ cup Oil

Directions:

Combine the oil and seasoning together in a 2 gallon bag. Add 2 boxes of saltine crackers in the smaller size option (mini-saltines or rounds) to the bag, leaving as much air as possible. Gently toss/turn the bag to fully coat the crackers with the seasoning/oil combo. Once crackers are coated, leave in the bag overnight for crackers to fully absorb. Enjoy!

*Cinnamon Sweet flavor contains a different amount of seasoning and will make 1 box of mini-saltines and uses ¾ cup oil.

We recommend using a high quality cracker. Nabisco Premium Saltines come in the following mini-options: 10 oz Mini-Saltines and 11 oz Saltine Rounds
